

Brig (Rtd) Sara Sharkey CBE MSc BSc CENg MIET

Brig (Rtd) Sara Sharkey CBE MSc BSc CENg MIET is the Strategy Director at Prolinx, the UK Secure Sovereign Cloud Company. Sara served in the British Army for 30 years where, recognising the dominance of data, applications and cloud for military strategic advantage she spearheaded the transformation of Army information services to agile software development practices and shared data services.

Subsequently appointed to lead the development of shared Defence cloud (MOD CLOUD) and application services, she was awarded a CBE for her actions in leading Defence's digital response to COVID.

In 2021 Sara joined Deloitte to lead the Deloitte Digital in Defence Account supporting digital transformation spanning Artificial Intelligence to re-imagining cloud migration for clients. Sara joined Prolinx in June 24 seizing the opportunity to continue to support the Defence Mission at the operational end of digital delivery.
