

On Campus Accommodation:

If you are planning on staying over, RHUL Campus accommodation offers premium en-suite vacation rooms at much better rates than the local hotels. Whilst availability is on a “first come first served” basis, there will be plenty of rooms, so there shouldn’t be any problems.

The Bed & Breakfast rates are as follows:

- Single ensuite bedrooms: £85.00 (including vat) per night
- Double ensuite bedrooms for single occupancy: £111.00 (including vat) per night
- Double ensuite bedrooms for double occupancy: £139.00 (including vat) per night

Bookings are made directly with Royal Holloway via this dedicated hyperlink:

The AFCEA Event accommodation code will be live until COB on Tuesday 10th June 2025.

This year, the accommodation blocks are different to our past events. The double ensuite bedrooms will be in Gowar Hall and the single ensuite bedrooms will be in Runnymede 2 Hall.

Check in for all RHUL Campus accommodation is at The HUB and is officially between 16:00 and 22:00. After 22:00, Night Security is available at the HUB for help with check in. The Hub and the two accommodation halls’ locations are highlighted on the detailed Campus Plan [here](#)
